

healthHcentric Eco Stacker

Ideal for waiting areas,
exam rooms, and shared spaces.

healthHcentric Eco Stacker, comfortable, durable and easy to move.

The **healthHcentric Eco Stacker** offers superior support in plastic seating to ensure visitors are sitting comfortably even during longer sessions. With its modular construction and available options, the healthHcentric Eco Stacker is well suited for waiting areas and exam rooms.

Ideal for settings that require occasional seating, the dual curve design of the back structure offers subtle lumbar support while the dual curved seat reduces pressure on the seat bones and improves circulation. Upholstered seat or upholstered back options add a stylish element for upscale environments while providing additional comfort for longer term meetings.
