

Infection Control with **IC Plus Upholstery**[™]

The most durable, cleanable and impermeable medical-grade upholstery available.

Superior Infection Control with IC Plus Upholstery™

Proprietary to healthCentric, IC Plus Upholstery is a breakthrough upholstery technology specifically formulated for the healthcare industry to provide the most durable, cleanable and impermeable medical-grade surface available.

Pathogens, fluids and bed bugs stay out because IC Plus™ is non-porous, seamless and forms a completely sealed moisture-free barrier that makes microbial growth virtually non-existent. IC Plus is strong enough to stand up to all hospital-grade cleaners and disinfectants, allowing cleaning staff to effectively remove the toughest pathogens from the surface of the chairs in high traffic patient areas.

✓ Superior puncture and tear resistance

IC Plus resists tears, punctures and general abuse that furniture takes in most high traffic facilities. In puncture and tear tests, IC Plus proved to be up to 10 times more durable than hospital-grade vinyl.

✓ Sealed and seamless

IC Plus is non-porous, and has an impermeable structure that forms a strong barrier against fluids, dirt, bed bugs and pathogens to provide the ultimate infection prevention surface.

✓ Superior cleanability

Our unique patented under-seat clip system allows for easy and thorough cleaning and disinfecting – no tools required.

✓ Hospital-grade cleaning agent tough

IC Plus has been formulated to withstand the most common hospital-grade cleaning and disinfecting agents such as Rescue, CaviCide, Wex-Cide, Virox 5 and bleach.

✓ No off-gassing - GREENGUARD® certified

PVC- and latex-free and low VOC's means healthier indoor environments for staff, patients and visitors.

✓ Exceeds 1,000,000 double rubs

IC Plus offers a high abrasion rating and is available in a wide variety of colors that seamlessly blend into any healthcare environment.

✓ 10 year warranty

IC Plus protects your investment and helps stretch budget dollars with a 10 year guarantee against tears, punctures and cracks.

✓ CAL 133 compliant
