

# ↑upCentric®

Mobile Workstation

# Sit-stand workstation. A flexible solution.

**The upCentric Mobile Workstation** is the perfect solution for people on the move. It allows for flexible movement around the healthcare environment without sacrificing work space. The lockable twin wheel castors keep the workstation secure when not in motion, and the sealed gas cylinder allows for quick, smooth transition from sitting to standing.

An easy to use, ergonomic and affordable solution for mobile charting and note taking.
