

# Bariatric Heavy Duty Stool

Superior strength and stability.

# Bariatric support warranted up to 500lbs.

The **healthCentric Bariatric Heavy Duty Stool** is the only bariatric stool on the market warranted up to 500 lbs to provide superior bariatric support and comfort for multiple task work and to withstand the demands of a 24/7 environment.

The Bariatric Heavy Duty Stool is designed from top to bottom to be easily cleaned and comes in 350 lbs or 500 lbs configurations.

## Frixion™

**Vinyl upholstery is slippery. The solution is Frixion.**

healthCentric's Frixion medical grade upholstery is specially designed to provide ergonomic benefits and prevent falls. Frixion helps the user stay in place and not slide forward on the chair as they sit, improving comfort and increasing the ability to engage with the lumbar support.

Frixion withstands hospital-grade cleaners and disinfectants, ensuring a hygienic seating surface for healthcare workers and patients.
