

*Aloe Guest Chair
with Open Urethane Arms*

Aloe Guest Chairs

Specifically designed with
infection prevention in mind.

Aloe guest chairs, designed for comfort, function and durability.

The Aloe Guest Chair is ideal for use in waiting rooms, patient rooms, examination rooms and treatment areas.

Constructed with a steel frame, Aloe seats and backs offer exceptional comfort with high resilient foam for long lasting support and no bottoming.

The molded seat foam is contoured on the sides and has a waterfall front edge to help minimize pressure on the ischial tuberosities (the seating bones), legs and veins.

Superior Infection Control

Proprietary to healthCentric, IC Plus Upholstery® is a breakthrough technology specially formulated for the healthcare industry. Providing durability where it matters most, IC Plus Upholstery® has a superior abrasion rating of 1,000,000 double rubs while guaranteed not to crack, puncture or tear for 10 years.
