

ecoCentric Stacker

Ideal for waiting areas,
exam rooms, and shared spaces.

ecoCentric Stacker; comfortable, durable and easy to move.

The **ecoCentric Stacker** offers superior support in plastic seating to ensure visitors are sitting comfortably even during longer sessions. With its modular construction and available options, the healthCentric Stacker is well suited for private offices, waiting and eating areas, classrooms and exam rooms.

Ideal for settings that require occasional seating, the dual curve design of the back structure offers subtle lumbar support while the dual curved seat reduces pressure on the seat bones and improves circulation. Upholstered seat or upholstered back options add a stylish element for upscale environments while providing additional comfort for longer term meetings.
