

healtHcentric Side Chair

Comfortable solution for
waiting areas and guest seating.

healtHcentric®
The science of sitting®

healtHcentric Side Chair, stackable yet comfortable.

The healtHcentric Side Chair is designed to provide a comfortable solution for short term waiting areas and guest seating. The backrest offers subtle lumbar support with a durable and cleanable solid back cap that meets the stringent cleaning requirements of healthcare environments. The curved seat reduces pressure on the sitting bones and improves circulation.

The healtHcentric Side Chair can be stacked six chairs high, or up to ten chairs high when using the stacker cart.
