

healthHcentric Stacker

Comfortable solution for
waiting areas and guest seating.

healthCentric Stacker, stackable yet comfortable.

The **healthCentric Stacker** is designed to provide a comfortable solution for short term waiting areas and guest seating. The backrest offers subtle lumbar support with a durable and cleanable solid back cap that meets the stringent cleaning requirements of healthcare environments. The curved seat reduces pressure on the sitting bones and improves circulation.

The healthCentric Stackers can be stacked six chairs high, or ten chairs high when using the stacker cart.

healthCentric Stacker with optional silver frame

healthCentric Stacker no arms with optional silver frame
