

healthHcentric C22 Stool

Ultimate flexibility in seat height range,
with Frixion Anti-Slip Protection.

Designed from top to bottom for the medical profession.

healthCentric C22 Stool features ultimate flexibility in seat height range, with highly cleanable chrome base and a durable height footring. The ring height adjustment activator ensures ease of adjustability from every angle. The durable, cleanable base provides ideal support for for operating rooms, examination areas, nursing stations or wherever mobile seating is required.

Frixion™

Vinyl upholstery is slippery. The solution is Frixion.

healthCentric's Frixion medical grade upholstery is specially designed to provide ergonomic benefits and prevent falls. Frixion helps the user stay in place and not slide forward on the chair as they sit, improving comfort and increasing the ability to engage with the lumbar support.

Frixion withstands hospital-grade cleaners and disinfectants, ensuring a hygienic seating surface for healthcare workers and patients.
