30" Guest Seat with optional silver frame

healtHcentric Guest Chairs

Ideal for healthcare settings and waiting areas.

healtHcentric™

healthcare seating specialists

A simple and flexible solution to fit every body.

The healtHcentric Guest chairs are highly durable and cleanable while ensuring comfort for guests who require a variety of sizes.

Ideal for healthcare settings and waiting areas, the chairs meet the heavy-duty needs of high traffic and 24/7 environments while maintaining ergonomic comfort and support. The series is available in three sizes to accommodate different body types and room configurations. Every detail of the healtHcentric Guest series has been specifically constructed for demanding healthcare environments where comfort and ease of cleaning are important.
