

airCentric H2S Task Chairs

Be comfortable. Be productive.
Ideal for healthcare environments.

The airCentric H2S task chair combines more than a decade of airflow engineering research, with proven ergonomic design, comfort and cleanability.

Ergonomics: The airCentric H2S offers a wide range of options and features to meet the rigorous demands of healthcare tasks. Features like our patented back height adjustment system, multiple seats sizes, and various arm options will ensure the right fit and support.

Comfort: The airCentric H2S uses an improved, highly durable, molded back foam cushion that stands up to the test of years of continuous use without losing load-bearing capabilities, shape or dimensions. The molded foam provides long lasting lateral and lumbar support while ventilation holes in both the back and front are designed to allow airflow.

Cleanability: With a solid back cap, the airCentric H2S is made to meet stringent cleaning requirements in healthcare environments. Also available with durable and cleanable IC Plus coated arm caps.

Solid back cap

tCentric armrest

Optional IC Plus arm caps

Optional adjustable headrest

Features

Backrest

- Front upholstered dual curve backrest (19" w x 24" h)
- 5" patented back height adjustment
- Solid back cap

Seat

- Tailored upholstery on seat pan (20" w x 19" d)

Control

- Available mechanisms in Midnight Black and Light Gray
 - > Synchro Glide
 - > Multi Tilt

Base

- 26" glass reinforced nylon mid-profile base
- 5 dual wheel urethane casters

Options

- IC Plus arm caps
- Air lumbar system
- Air thoracic system
- Patented adjustable headrest
- Midnight Black or Light Grey frame, back cap and base
- Optional seat height ranges
- 6 different seat sizes
- Caster, glide, and base options

Warranty

Lifetime*

- Original purchaser
- Defects and functional failure of materials up to a weight of 350 lbs
- With the following exceptions:

12 Years*

- Mechanisms, arms and foam

10 Years*

- IC Plus against cracking, punctures and tears

5 Years*

- Frixion, Vinyl, and PVC-free upholstery

* Includes labor costs.
